

	Annexure/Section No.	Clause No.	Query	AIESL Remarks
1	Technical Specification		Q series Chipset not mentioned	Any number in Q series
2	Technical Specification		23th Generation not fall in MAKE IN India Category.	23rd generation typographical error. No Change
	Technical Specification		OS Certificate From OEM required (Yes, No)	OS certificate from OEM required.
3	Section 11	Clause 17, Page No 30 and Clause No.2 Page#27	<p>The Bidder/OEM should have experience of having "Successfully Completed" TWO "Purchase Orders" (for supply of minimum 250 (two hundred fifty) AIOs in each PO during last three FYs ending 31st March,2023.</p> <p>2.Request to you kindly change the clause as "The bidder should have experience of having "Successfully Completed" TWO "Purchase Orders" (for supply of minimum 250 (two hundred fifty) PCs/AIOs/same or similar product in each PO during last three FYs ending 31st March,2023." Instead of existing ' The bidder should have experience of having "Successfully Completed" TWO "Purchase Orders" (for supply of minimum 250(two hundred fifty) AIOs in each PO during last three FYs ending 31st March,2023.</p> <p>3.This limits bidders as not all the interested bidders might have supplied to Govt./PSUs before.Please allow successfully executed orders of multinational Org, Corporate Houses etc. so it enables more bidders to participate.</p>	<p>The Clauses will now be read as under:</p> <p>The Bidder should have experience of having "Successfully supplied" TWO "Purchase Orders" to PSUs/Govt.deptt/ Corporates/Companies for minimum 250 (two hundred fifty) AIOs/Desktops in each PO during last three FYs ending 31st March,2023.</p>
4	9	Technical specification of AIO –Hard Disk - 512gb nvme SSD	We do not have MII complied 512 GB nvme ssd for AIO, we request you to kindly make it 1 TB Nvme ssd. So that everyone have equal opportunity to participate .Also Windows 11 Professional acquires around 256 GB+ space when running in full. hence 1TB option will give more space in storage for users 2.Request to you kindly amend the 1TB SSD PCI NVMe instead of 512 GB PCI NVMe SSD to qualify for MII product/compliance.	No Change
5	9	Technical specification of AIO – Compliance /Certification – MIL 810 H or higher	<p>1.Please remove this certification as it is favoring one specific OEM and only single OEM shall qualify in current scenario with MII compliance. Hence please remove it for equal opportunity for everyone</p> <p>2.MIL STD 810 H or higher / As per the Specification mentioned In the tender is of general AIO not Military Grade Equipment, and Military Grade Equipment has totally different specs, there is no need for this certification, instead BIS/Rohs should be asked.</p> <p>3. Request to you kindly remove the MIL STD 810 H certification which is OEM specific due to this only single OEM will qualify.</p>	<p>No Change.</p> <p>AIESL's operational requirement.</p>
	BEE or Energy Star for the quoted model	Technical Specification Clause 22,Pg21	BEE or Energy Star for the quoted model / We have applied the Certification and certification is in process we can submit the document before the delivery of goods.	No Change

6	EPEAT India certified	Technical Specification Clause 22	EPEAT India certified / According to DPIIT in Consultation with Department of Expenditure and GEM has Identified "Common Examples of restrictive and Discriminatory conditions against the local suppliers" and other conditions which make the bid non-compliant to PPP-MII" enclosed here as an attached Letter (Memorandum No P-45014/33/2021-BE-II (E- 64737).	EPEAT India not required
7	GEM document, Clause No.: 5-Preference to MII	Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate.	Most of the reputed OEM's do not have a MMI AIO desktops. Hence, this clause enables only few selected brands to qualify to bid in this tender. Please exempt the MII clause so all major OEMs could participate	No Change

Please specify which softwares and utilities are required by you along with the PC.	Bidder has to provide the Complete details of software and utilities being provided with their proposed model.
	C. Techno-commercial Bid Form	8 , Page# 27	Agrees to hold the rates for ONE YEAR from the date of award of the Contract/PO. This requires consent of OEM. Hence, request to make this clause applicable to OEMs also, by making them liable to hold the rates for ONE Year from the date of award of the Contract / PO and they need to confirm in their MAF.	No change
	12. Specific Terms and Cnditions applicable to this tender No AIESL/IT/EUDs/662	2, Page# 32	Quantity: The tendered quantities are 800 (Eight hundred) for which the bidders are advised to quote their best their rates. However, the quantities can vary from 720 to 880 nos. during the contractual period. The quoted rates should remain valid for the qtys. for a period of ONE YEAR from the award of the PO to the successful bidder. This requires consent of OEM. Hence, request to make this clause applicable to OEMs also, by making them liable to hold the rates for ONE Year from the date of award of the Contract / PO and they need to confirm in their MAF	No Change

9	7. Other Terms and Conditions	7.3 (Payment Terms), Page# 14	<p>Payment Terms All payments to the successful Bidder by AIESL for the goods supplied by it shall be subject to the following compliances:</p> <p>a. AIESL shall make every effort to examine and arrange payment of bills within 45 days of receipt of the invoices with all the relevant original supporting documents. However, a delay in the settlement of payments shall not be accepted as a valid ground for Supplier to delay consignments and/or make any request for advance payment. It is clearly understood that storage charges incurred on account of delay in of consignments on grounds of delay in payment of bills on the part of AIESL will have to be borne by supplier. Request to reduce this period of 45 days to 30 days. The Payment Terms does not provide any clarity on the payment milestone, whether it would be paid 100% on Delivery or 100% after Installation. Request you to clarify this point.</p>	<p style="text-align: center;">No Change.</p> <p>Payment terms mentioned in the Buyer uploaded ATC document in GeM shall prevail over the GeM Bid terms of Payment. Please refer 12. Specific Terms and Conditions (Pg no.32) of the ATC.</p>
10		GeM Portal	<p>Specification mentioned in Gem bid and ATC are different from each other, kindly mention which one will be considered as final specification. kindly specify.... you have specifically mentioned that all the AIO computers should be supplied with MS Office (STD) 2021, whereas other office suite software are also available on Gem Platform, mentioning specific product raising questions about the fairness and competitiveness of the process. The bid document lacks transparency in terms of the selection criteria and seems rationale behind choosing the specific product i.e. MS office Std 2021.</p>	<p style="text-align: center;">Specifications etc. mentioned in the Buyer uploaded ATC document in GeM prevail over the GeM Bid. No Change for MS office 2021.</p>
11	Verbal Query in the pre-bid	Page No.23 of Buyer uploaded ATC document in GeM.	<p>Prospective Bidder should have OEM authorized service centres in all locations where AIOs have to be distributed by bidder as per locations mentioned in the tender.</p>	<p>OEM should have authorized service centres in all locations where AIOs have to be distributed by bidder as per locations mentioned in the tender</p>
