Tender No.: AIESL/MMD/BOM/LM/1-1/4977

DATE: 01.06.2026

CORRIGENDUM-1

The following Clarification / Modification against the Tender no. AIESL/MMD/BOM/LM/1-1/4977 Dated 18.05.2026 (GeM Bid No: GEM/2026/B/7531559 Dated 18.05.2026) has been given:

Clause Ref / Clause No.	Vendor's Query	Existing Provision	Modification / Clarification / Amendment
Scope of Work C (viii)	Requirement of Spare vehicles in case of maintenance or servicing needs for the existing vehicle including charging.	The refueling/ maintenance/cleaning/charging of vehicles may be taken up after informing the concerned department and in such a way that all the vehicles are available in fully serviceable conditions during peak flight timings.	Clarification: The vendor must ensure that at any given point of time, 30 serviceable vehicles are available for AIESL operations. In case any vehicle becomes unserviceable due to maintenance, servicing, or charging requirements, the same must be immediately replaced by the vendor with a spare vehicle to maintain the minimum fleet strength.
Category-A: Leasing of vehicles Sl. No. 2 Station Wagon (EV) (Mahindra Camper / similar station wagon vehicle complying with the regulatory requirement of Airport operator MIAL.	Mahindra Camper is currently not available in Electric Variant. Kindly clarify whether alternative EV cargo vehicles such as Tata Ace EV or similar category vehicles will be acceptable. Or else please let us know how you want to take this further	Station Wagon (EV) (Mahindra Camper / similar station wagon vehicle complying with the regulatory requirement of Airport operator MIAL.	Clarification: If Mahindra Camper EV is not available in Electric Variant, alternative EV cargo vehicles such as Tata Ace EV or similar category vehicles will be acceptable.
Scope of Work C (viii)	The service provider will provide commercially registered vehicles, and the vehicles should have full comprehensive insurance with unlimited risk cover to the vehicle's occupants. In case of break-down of vehicles, it will be the responsibility of the service provider to make alternative arrangements immediately. In the event that alternate arrangements are not made immediately, AIESL shall be within its rights to make alternative	Tata Punch EV is presently not available with commercial/TR registration. Kindly confirm whether equivalent commercially registered EV vehicles like Tata Tiago will be acceptable. Further MIAL has confirmed to us that they will issue an AVP for non-commercially registered vehicles. Please confirm if non commercially registered EVs will be acceptable to you.	Amendment: For electric vehicles, commercial registration plates are not required if permitted by the Regional Transport Office (RTO). Vendors must comply with applicable RTO guidelines.

	arrangements by hiring/arranging another vehicle from any other source and the amount so spent together with 15% administrative charges and applicable penalty, etc. will be fully recovered from service provider's regular bills apart.		
Vehicle Operations & Charging Infrastructure	Since EV charging through a 7.2 KW (tentative) charger requires approximately 5 hours, kindly confirm whether AIESL will provide charging infrastructure / charging points within the hangar or operational premises.		Clarification: Charging connections will be installed by the vendor. The electricity bill for charging will be paid by the vendor. Charging points will be removed once the contract ends.
Special Conditions of Contract Clause No. 38 (xiv)	Kindly confirm whether statutory wage escalation as per Government notifications (Minimum Wages / Labour Department revisions) shall be reimbursable during the contract period.	The Successful Tenderer shall strictly ensure that Minimum Wages as stipulated by the appropriate Government is paid each month to the workmen deployed by them. The Bidder shall issue salary slips to each of the workmen engaged by them every month in respect of the wages paid. The Bidder shall ensure that the workmen deployed by them are granted a paid weekly off. This shall be a mandatory compliance.	Clarification: Any revision in minimum wages notified by the Competent Authority shall be reimbursed by AIESL in accordance with tender terms.
Infrastructure charges / airport-related charges	Kindly confirm whether MIAL infrastructure charges shall be reimbursed against documentary proof.	The successful tenderer shall also be responsible for getting all necessary clearances, if any, from Govt. Agencies/ Legal Authorities including MIAL and BCAS from time to time, with regards the provisions of services.	Clarification: The matter regarding reimbursement of MIAL infrastructure charges will be reviewed once the circular is received from the Competent Authorities.
Airport Entry Passes for its personnel from BCAS		On award of contract, the successful bidder shall arrange Airport Entry Passes for its personnel from BCAS at its own cost. The successful bidder's employees entering the aircraft/ tarmac shall always carry valid passes/ permits issued by BCAS.	Amendment: BCAS approval for auxiliary services on the date of applying for the tender is mandatory. Hence bidder should have valid BCAS registration while applying the tender.

All other Terms and conditions will remain unaltered.
