

FORM A

DECLARATION

I/We hereby declare and confirm that the repair activities carried out against the above RFQ / Work Order shall comply with the following:

☐ **PMA Parts**

No **Parts Manufacturer Approval (PMA)** parts shall be used, installed, or incorporated during the repair or overhaul process.

☐ **DER Repairs**

No **Designated Engineering Representative (DER)** repairs shall be carried out on any part or component.

☐ **OEM Repairs Only**

All repairs shall be performed strictly in accordance with **OEM-approved data** (ESM / AMM or equivalent), using OEM-approved materials and processes only.

☐ **Regulatory Compliance**

All repair activities shall be carried out in compliance with applicable aviation authority requirements (FAA / EASA / DGCA, as applicable).

☐ **Certification & Traceability**

Complete traceability of parts and materials shall be maintained, and the piece parts shall be released with appropriate certification (FAA/EASA).

☐ **Ability to meet quoted TAT (Turnaround Time)**

I/We acknowledge that any deviation from the above declaration may result in rejection of the repaired component and/or other contractual actions by the AIESL.

For and on behalf of the Repair Organization
