CORRIGENDUM-1

GEM BID Number: GEM/2026/B/7369556

Date: 13.04.2026

Subject: Amendments in Work Scope

Tender Description: Procurement of 15 Ton Electric Tow Tug (Qty 2) for AI Engineering Services Limited, Delhi

With reference to the above-mentioned tender, the following amendments are made in the Work Scope. The existing and revised clauses are tabulated below:

S.no	Work Scope Clause no and Page no	Existing Clause	Revised Clause
1	2 (IV), page no 18	80V, 500Ah Lead Acid battery providing high efficiency and longer operational duration. (Capable of providing a run time of not less than 8 hours under normal operating conditions.	80V,464AH LI-ION BATTERY of reputed make with 5-year warranty providing high efficiency and longer operational duration. (Capable of providing a run time of not less than 8 hours under normal operating conditions.
2	3 (I), Page no 19	500 (capable of providing a run time of not less than 8 hours under normal operating conditions.)	464 AH (capable of providing a run time of not less than 8 hours under normal operating conditions.)

Note All bidders are advised to consider **Li-ion Battery** in place of **Lead Acid Battery** on each page of the tender document, wherever applicable as per above revised clause.

All other terms and conditions of the tender remains unchanged.

This corrigendum is being issued with the approval of the competent authority.
