Information Sought : Respected sir ,

After my husband, late Sh Suraj Prasad on duty death on July 2020 , I applied for a job on compassionate grounds at air India ,

My husband was the sole breadwinner and was a permanent employee in air India , employee no.268577 88001181 and his last designation was that of a sr. AGM (engg) and after his sudden on duty death , I had to take up the responsibilities so as to be able to sustain myself and my children and provide them with basic facilities like medical and educational. And for this I applied for a permanent job on compassionate grounds at air India and after following up my application request for almost half a year , I received an appointment letter (reference no : AIESL/HR/NR/47) , wherein Iam asked to accept a few terms and conditions which are very tough for me to accept . Since last half a year , that is since my husbands sudden on duty death I have no source of income at all , which has made me debt ridden and iam unable to sustain myself and my family .

I request the concerned authorities at Air India to kindly :

- 1) send me a copy of brochure / written provision / rule book of Air India where the policies about compassionate appointments at Air India are clearly stipulated .
- 2) please upload the same on the website as such policies and provisions are available of other organisations on their websites .

- 3) please disclose the time limit within which such application requests seeking compassionate employment at air India are given permanent appointments so that the family is able to sustain themselves.

RTI Details

4) please take a sympathetic consideration of my case and please render me a suitable permanent appointment at air India so that I am able to sustain myself and my family and am able to come out of the debt trap of the debts taken by me during last half a year after my husbands on duty death .

Before closing my application ,I need to mention the fact that the above 4 requests are not any one persons personal problem but are of public in nature as any of the employees family might at any point of time can get in a need of such a job on Compassionate grounds and hence I request the concerned department at Air India to please take a call on this RTI application for welfare of the public .

Thanking you.
