2. DISCLAIMER

1. The information contained in this tender document (hereinafter referred to as the “Tender”) or and any information pertaining to the aforesaid subject matter provided subsequently to the applicants/bidders in any form by AIESL – AI Engineering Service Limited (hereinafter referred to as “AIESL”) shall be subject to the terms and conditions to which such information is provided contained herein and any other terms and conditions as may be prescribed by AIESL prior to award of the tender.
2. The purpose of this tender is to provide all bidders with the information that may be useful to them in the formulation of their proposals/bids (hereinafter referred to as “BID(S)”) in response to this tender. The statements and facts contained herein, which reflect various assumptions and assessments arrived at by AIESL do not purport to contain exhaustive /all the information on the aforesaid subject matter that each applicant may require for the purpose of submitting their bids.
3. Each bidder should, conduct its own due diligence, investigations and analyses and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, and information contained in this tender and shall obtain independent advice from appropriate sources at no cost to AIESL.
4. The information provided in this tender to the applicants is on a wide range of matters, some of which depends upon interpretation of law. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. AIESL accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on the law expressed herein.
5. AIESL also accepts no liability of any nature whether resulting from negligence or otherwise, however caused arising from reliance by any applicant/bidder upon the statements contained in this tender.
6. AIESL may, in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumption contained in this tender, from time to time till the close date of the tender.
7. The tender does not imply that AIESL is bound to select a bidder or to appoint the selected bidder and AIESL reserves the right to reject all or any of the bid without assigning any reason whatsoever at any time.
8. The bidder shall bear all its costs associated with or relating to the preparation & submission of its bids including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by AIESL, or any other costs incurred in connection with or relating to in bids. All such costs and expenses shall remain with the bidder and AIESL shall not be liable in any manner whatsoever for the same or any other costs or other expenses incurred by the bidder in preparation for submission of the bid, regardless of the conduct or outcome of the bid selection process as contained herein.

3.NOTICE TO BIDDER (NTB)

INTRODUCTION:

AI Engineering Services Ltd (AIESL) the biggest DGCA (Directorate General of Civil Aviation) approved MRO Set up in India that can serve as a one-stop-shop for all engineering requirements at major Airports with pan India footprint i.e., Delhi, Mumbai, Hyderabad, Thiruvananthapuram, Kolkata, Nagpur etc. With a great skill set, huge professional experience and competency, AIESL manages and maintains Airbus, Boeing & ATR's fleet with the Technical Dispatch Reliability of more than 99%. With major hangars and bases located at all the major metros.

AI Engineering Services Ltd. (AIESL) invites sealed/closed bids under single bid system from eligible bidders for Epoxy Flooring at AIESL Hangar. Currently the Hangar is operational for Airbus family aircrafts.

3.1 Scope of Work:

Table A

S.no.	Description (EPOXY PU FLOORING THICKNESS AVG. 3.6 MM)	Area
1.0	Substrate Requirements: Concrete or screed substrate should be a minimum of 25N/ mm ² , free from laitance, dust and other contamination. The substrate should be surface dry and moisture shall be < 5%, and free from rising damp and ground water pressure and Grinding the surface , Cutting the cracks in V groove if required and clean the dust with vaccum.	
1.1	Primer Coat : Providing and applying over the prepared concrete	
1.2	Epoxy Under lay :- Providing and applying 2.4 mm thick Epoxy underlay over the primed substrate using high quality product system with following capability -satin finish, self-smoothing, Non-tainting and non-dusting, Hard-wearing, Abrasion resistant, High chemical resistance grade available . -shall be laid at using notch tools followed by spike roll to release all entrapped voids and the fully cured topping shall exhibits the typical properties as mentioned in the technical specification on the performance criteria and complete strictly following the coverage and methodology.	3,400 approx .sqm
1.3	Supply mixing and applying a EPU Coat with following characteristics -self-smoothing Epoxy PU resin floor finish applied at 1.2 mm thickness over the Epoxy underlay. -Notch shall be used to spread the mixed Epoxy PU followed by the spike rolling to release the entrapped air, the cured topping shall attain the following properties. Complete as per the manufacturer instruction.	
	Fill data Physical properties/ Technical Data. Drying Time Surface Dry : _____ Hard Dry : _____ Full Cure : _____ Mixing Ratio (by weight) Base : Hardener : Aggregate Shade- Light Shade with provision for Inbuilt Marking is preferred Pot life _____ Typical Strength (Fill Data) Compressive Strength (ASTM C 579) 72 MPa _____ Flexural Strength (ASTM C 580) 32 MPa _____	

	Tensile Strength (ASTM C 307) 18 MPa _____ Dry film thickness (DFT) is the thickness of a coating as measured above the substrate. This can consist of a single layer or multiple layers. DFT measures the total (not the individual layers). DFT is measured on cured powder coatings at ambient temperature.	
	Fill Data for project delivery Delivery of material Days Executive of FlooringDays	

3.2 Technical Eligibility Criteria

The work is to be carried out under this contract shall consist of various items as per description of works contained in the Bill of Quantities.

1. The floor must first of all withstand the weight of the aircraft which is approximate 100 ton planes.
2. The floor is exposed to chemical compounds contained in materials such as aviation fuel, hydraulic fluids (eg. Skydrol) or lubricants. Therefore Hangar floor must be resistant to both the short and long term effects of exposure to all the various chemicals that will be used onsite.
3. Typical system consists of a high performance epoxy primer followed by underlay of epoxy coat followed by urethane coat

Product Suitability Criteria

1. The product must be of Superior Quality and must be accompanied with Technical data sheet.
2. The coating system offered must be demonstrated to be suitable for hangar flooring through Sample (resistant to withstand chemical exposure).
3. It must be demonstrated that product has been used in at-least two Hangars (greater than 1500 sq m).

3.3 Applicator Experience

1. The applicator must demonstrate that he has carried out similar work in at least two Hangars of similar sizes (1500 sq m and above)
2. The applicator must demonstrate that he will be able to work on Airside
3. The applicator must demonstrate that he would be able to bring in material and labor on Air Side.

4. INSTRUCTIONS TO BIDDER (ITB)

The Bidders should submit their both Bids in a single master envelop. The contents of envelop as follows:

1. Technical Bid (ENVELOP COVER – I)

To be super scribed with “Technical Bid for the Tender Reference: AIESL/DEL/PPMM/HANGAR/ 23057 due on 16th AUGUST 2023 Time :1400 hrs and must contain the following:

The representatives must carry a letter of authority or any other valid document from the bidders, authorizing them to attend the tender opening, failing to which they will not be permitted to participate in this process.
- iii) Unsigned Bids are liable to be rejected.
- iv) The Bids should be neatly presented. Corrections, if any, should be duly authenticated with full signature of the person who has signed the Bids, failing which such Bids are liable to be rejected.
- v) AIESL reserves the right to accept or reject any or all offers without assigning any reason.
- vi) In the event of default in services, AIESL reserves the right to cancel the order and to claim damages from the successful tenderer, and also reserves the right to award the contract to another vendor at the cost and risk of the successful bidder.
- vii) AIESL shall make payment by an account payee cheque/ Electronic Transfer of funds within 60 days of delivery & installation of material and on submission of bills duly certified by the officer authorized by user department.
- viii) Deduction of Govt. taxes at source shall be done by AIESL as per Govt. rules applicable from time to time.

A. PENALTY CLAUSE:

Prompt, Punctual, Efficient, Safe, Courteous And Quality Service Is The Essence Of This PO. In case of failure on the part of the service provider to comply with any one or more of the terms of the PO, the applicable penalty clauses listed below shall be invoked.

0.5% of the PO value per week to a maximum of 10% of the total value will be levied for non-completion of satisfactory performance of the work within the stipulated time period.

B. PRICE NEGOTIATION:

As it is not the general norm for AIESL to carry out price negotiations following evaluation of the bids (RFQ), the bidders are advised to submit their best quotes in response to this tender.

However, AIESL, reserves the right to carry out negotiations in exceptional cases with the bidder who has been evaluated by AIESL as having offered the lowest bid in response to the tender.

C. VALIDITY OF PRICES:

Quotations should be valid for a period of **120 days** from the opening of bid of Technical Bid.

D. EXIT CLAUSE/TERMINATION OF THE CONTRACT:

The service provider shall undertake that in the event of failure to complete the job within the time and according to the requirement and the terms & conditions of the PO, the PO will be liable for cancellation and services will be obtained from other sources on account and at the cost of service provider. The service provider will be fully responsible for any difference in rate and other expenses arising out of such alternate arrangements.

E. REJECTION OF BIDS:

The response to the Bidder (RFQ) will be rejected forthwith without evaluation of the tender response on the following grounds:

- i. If the Bidder have been received after due date and time of closing of the tender.
- ii. If the RFQ/BID have been received by fax or email.
- iii. If the RFQ/BID have been received unsigned.
- iv. If the RFQ/BID has been received in an open condition.
- v. The Bidder should ensure that: -
 - The bid document should be neatly typed and signed/approved on numbered pages filed in binding folder.
 - Corrections/over writing, if any, should be duly authenticated with full signature of the person who is signing the tender (**initials will not be accepted**).

F. ARBITRATION:

Any dispute arising between the parties in respect of the construction, interpretation, application, meaning, scope, operation or effect of this document or the validity or breach thereof, shall first be settled by mutual consultation. If the dispute remains unresolved after a period of 90 days from the date when the mutual consultation has started, the matter shall be referred for settlement to 'SCOPE FORUM OF CONCILIATION AND ARBITRATION', Govt. of India, and the award made in pursuance thereof shall be binding on the parties

G. FRAUDULENT PRACTICES:

AIESL requires that Bidders observe the highest standard of ethics during the Bidding process and execution of contracts. In pursuance of this, AIESL defines, for the purposes of this provision, the terms set forth below as follows:

- a) "Corrupt practice" means the offering, giving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
- b) "Fraudulent practice" means a misrepresentation of facts to influence a procurement process, or the execution of a contract deemed to be detrimental to AIESL and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive AIESL of the benefits of free and open competition.
- c) EMD or Security deposit shall be forfeited in addition to the above-mentioned remedies which AIESL shall have taken.

H. BLACK LISTING CONDITIONS:

The party shall be black listed from participating in any AIESL tenders for next three years in case adopts fraudulent practices as cited above in clause and against errant bidders as specified

in clause. Withdraws after award of the Purchase order / Letter Of Award (LOA) and fails to commence within the specified stipulated period and perform the contractual obligations during the currency of the Purchase order.

I. INTERPRETATION OF AMBIGUITY:

If the contractor needs any clarification as to the scope of the “agreement”, and other conditions of contract, the contractor is at liberty to get them clarified before quoting tender rates.

J. FORCE MAJEURE:

Neither party shall be liable for delay in performing obligations or for failure to perform obligations if the delay results from any of the following (whether happening in India or elsewhere) force majeure, Act of God or any Governmental act, fire, earthquake, explosion, accident, industrial dispute, civil commotion, or anything beyond the control of either party. The party shall use all reasonable endeavors to minimize any such delay. Upon cessation of the event giving rise to the delay the parties shall in so far as AUGUST be practicable under the circumstance

K. JURISDICTION:

Any dispute whatsoever shall be subject to the jurisdiction of the courts of New Delhi, India, only.

L. COMMERCIAL TERMS:

1.EARNEST MONEY DEPOSIT (EMD):

Non-Compliance on EMD terms will lead to disqualification.

- i) An Earnest Money Deposit of Rs. **67,000/- (Sixty Seven Thousand only)** must be submitted by means of Bank Draft or Banker’s Cheque in favor of AI ENGINEERING SERVICES LIMITED, payable at DELHI, and should be submitted along with the technical bid.
- ii) EMD will not carry any interest.
- iii) EMD in respect of successful bidder will be adjusted against Security Deposit.
- iv) If above, bid received without EMD or lesser amount of EMD or received in different mode, will be rejected.
- v) In case, the selected bidder refuses to accept the LOA/Contract OR fails to abide by any terms of the Tender/fails to commence the work within stipulated time, EMD shall be forfeited.
- vi) In case of selected bidder, EMD can be adjusted in SD as a special case.
- vii) In case of unsuccessful bidders, EMD shall be refunded without interest, within a reasonable time after finalization of the Tender.

EXEMPTION FROM EMD :

- i) As per Govt of India Gazette Notification No. 5031, dated 26.3.2012, MSME’s registered with District Industries Centres / KVIC’s/ KVIB’s/ Coir Board/ NSIC/Directorate of Handicrafts and Handloom or any other body specified by Micro, Small & Medium Enterprises (MSME), are exempted from payment of EMD. Valid certificate of registration with as above, must be provided by the bidder(s) seeking exemption of EMD. Public Sector units/Central/State Govt. undertakings/units registered with central purchase organization (eg. DGS&D) will be exempted from submission of EMD.
- ii) Bidder must be registered in same services to claim the exemption.

2.PERFORMANCE BANK GUARANTEE (PBG) / SECURITY DEPOSIT:

- i) The bidder who qualifies for award of PO will have to deposit with AIESL, **5% of the total value of the Purchase Order towards PBG / Security Deposit**, within two week of receipt of the Purchase Order. The Security Deposit is to be paid by a Bank Draft or

Banker's Cheque in favor of the "AI Engineering Services Limited", payable at Delhi, or by execution of a Bank Guarantee for an equivalent amount. The expenses incurred towards submission of Security Deposit / Bank Guarantee will have to be borne by the bidder and no interest will be payable on submission of SD in the form of banker cheque and Demand Draft.

- ii) The Security Deposit / Bank Guarantee will be refunded / returned after 60 days of successful completion of period against the Purchase Order after adjusting for penalties, if any, that AUGUST be imposed under the terms of the Purchase Order.

M. PAYMENT TERMS (Non acceptance by the Bidder on Payment terms will lead to disqualification) :-

Payment shall be released upto 30 days of submission of invoice on satisfactory services. Advance payment shall be released against Bank Guarantee (BG) with mutual understanding.

Mode of Payment: Payment will be made through ECS mode. Kindly provide the following information:

- Account Name
- Name of the Bank
- Branch Name
- Account Number
- Bank Code/MICR No.
- Swift Code No.

6. AWARD DECISION FOR L1

The Bidder whose net price works out to be the lowest will be determined as L1 for that item/s and order will be placed on lowest quote basis. The Contract shall be awarded to the successful Bidder vide the Letter of Acceptance (LOA) issued by AIESL, based on the evaluation of bids.

Point Of Contact/Clarification: -

Single point contact to be provided by the bidder along with email ID and telephone number of the contact person for any clarification during tender process.

S.no.	Description
1	Name:
2	Designation:
3	Email Address:
4	Contact No.:

SPECIAL TERMS & CONDITIONS (STC):

1. It is advisable for the Bidder to visit the site to apprise about the work requirement and site conditions. He may contact O/o Dy.GM MM (A 320 HANGAR) or his authorized representative at 011-2566-7461 in this regard.
2. The Service Provider shall abide by all safety regulations laid down by AIESL from time to time and shall not follow any unsafe practices.
3. The service provider shall also provide another staff in case any of his staff positioned at site goes on leave/weekly off.
4. The service provider should agree to depute staff capable of reading, writing and understanding Hindi & English language. Revision of Rates during Contract period due to increase in minimum wages of staff is not applicable in this case. Since this contract is for providing services and not for engagement of manpower.
5. Supervision: Supervision of personnel provided by the Bidder shall be his responsibility. Therefore, Bidder must deploy his own Supervisor to monitor the work allotted to them on regular basis.
6. The Service Provider shall undertake that they shall arrange/obtain necessary security clearance at their own cost from Police authorities and entry permit from BCAS/AAI/DIAL for staff required to work at all operational areas.
7. Airport Entry Permits: On award of Contract, the Bidder/Service Provider will arrange Airport Entry Permits (AEP) for its/his/her personnel at their own cost from BCAS/DIAL. It shall be the sole responsibility of the Bidder/Service Provider to ensure all time availability of these entry passes to its/his/her personnel during the entire period of contract in order to have uninterrupted services for the areas requiring AEPs. AIESL will only recommend issuance of Airport Entry Permits.
8. The staff deputed by service provider for the contract should not smoke in the non-smoking areas. If found doing so, disciplinary action will be taken and any damages to the equipment because of negligence shall be rectified at the cost of service provider.
9. The contractor shall at all times comply with all Acts/Laws/Rules/Regulations and notifications including amendments regulating or relating to labour matters including any Laws relating to Contract Labour, employee welfare, occupational health and safety, sanitation, garbage disposal and environmental management. The contractor shall pay their employees' wages which shall not be less than those prescribed under the Minimum Wages Act, 1948, Factories Act, 1948, Payment of Wages Act, 1965, or under any other Statute / Rules / Regulations as may be applicable from time to time. In particular, the contractor shall at his cost, obtain the required license under the Contract Labour (R&A) Act, 1970 before commencement of the job. The contractor shall also ensure that he and the persons deployed by him for the contract with AI Engineering Services Limited should adhere to all rules and regulations and operating procedures to be followed in Airports/Aerodromes or in the operational areas, including all regulations, rules and guidelines laid down by DGCA, DIAL & BCAS.
10. The contractor shall keep necessary books of accounts and other documents for purpose of above condition and shall allow inspection by authorized representative of the corporation and shall supply such information / documents on demand.
11. Revision of Rates during Contract period due to increase in minimum wages of staff is not applicable in this case. Since this contract is for providing services and not for engagement of manpower.
12. The contractor shall indemnify AI Engineering Services Limited against any claims, damages, loss or penalty including costs thereof in case of liability arising out of any accident/incident involving manpower deployed by him including third party, besides the penalty to be imposed

in case of unsatisfactory performance. Any damage / accident / incident is to be reported by the contractor to the Engineer Incharge at the earliest.

13. All risks of loss or of damage to property and of personal injury and death, which arise during and in consequence of the performance of the contract are the responsibility of the Service Provider.
14. The Service Provider shall also ensure that he and the persons deployed by him for the contract with AIESL should adhere to all rules and regulations and operating procedures to be followed in Airports/Aerodromes or in the operational areas, including all regulations, rules and guidelines laid down by DGCA, AAI & BCAS.
15. The Service Provider shall be solely responsible for any damage to the property of AIESL whether accidental or deliberate, caused by him, his agent and servants.
16. The Service Provider shall not transfer or assign or sublet any part of the service once agreed or any share or interest herein in any manner or degree directly or indirectly, to any person firm or company whatsoever.
17. The Service Provider shall be personally responsible for any theft, dishonestly and/or disobedience and discourteous behavior on the part of the employees/supervisors so provided by him to provide this services.
18. The Service Provider shall make his own arrangements and at his cost, for the engagement of all staff and labour, local or other and for their payment, housing, feeding, transport, medical and all related expenses.
19. Personnel engaged by the Service Provider must be properly attired for achieving a smart turnout and to meet the standards necessary for the job. They shall also be courteous to the employees of AIESL and other persons with whom they come in contact, in their interactions. Service Provider shall provide the names & contact details (address, phone no. etc.) of the personnel engaged for the contract along with their qualification & trainings related to the job.
20. The Service Provider shall arrange to carry out, at his own cost, the verification by the Police Authorities of the character and antecedents of the personnel engaged by him for the job and ensure that no persons whose character and antecedents have not been so verified, shall be engaged for the job. Notwithstanding the same however, any person whose engagement is objected to by AIESL shall be promptly replaced by the service provider.
21. The Bidder shall ensure the quality of work performed by its personnel and in case of any complaint against a particular person; the Bidder shall have to replace such personnel. In case of non-compliance of this condition, "AIESL", shall have right to refuse entry of any such personnel.
22. As far as possible, the Bidder shall engage same manpower for the work defined in the work scope so that there is continuity of work and the quality of work does not suffer. Also, the Bidder should provide uniform to his personnel at his own cost. They will also ensure that the persons wear the uniform and keep it neat, clean and tidy.
